Hi Donne,

I am not seeing where you are finding this information, can you send me the link to where you are seeing this. I double checked the presentation I gave at the Tribal Leader's Summit, as well as the EPA Bristol Bay website and I am not seeing the 11 you are referring to.

Thanks! Tami

Thanks Rick! Hey I noticed in the PPP (power point presentation) that Tami has posted that it states 11 tribes which doesn't jive with the 9 as previously written. Enlighten me! D

It is not out yet. We just added you to our listserve, so you will get a notice in your email when the assessment does go out, hopefully in mid-May.
